

## Explore crete by car:Crete car rental Guide

Driving in Crete is easy and enjoyable. There is only one way connecting East Crete with West Crete. Athenscars is offering, to all customers, a road map of Crete island, Greece that shows the most important places to visit. The best car rental offers on Crete. Rent a car in Crete and visit the beautiful south coast sea sides and beaches. Crete car hire rates are attractive and discounted during all summer months for Crete car hire. Hiring a car in Crete is a guide to paradise... Crete is in the middle of the Mediterranean sea. Its location is ideal for people who want to combine the European with the Greek way of life. The Greek cuisine influenced from the Cretan traditional cuisine. Crete is producing olive oil of an excellent quality, like in Sitia that every year wins the degree of world's best quality. Hospitality in Crete is recognised just with a glance to local people.

Athenscars-Crete proposes many tourist attractions to visit. Crete is the place where the ancient God Dias, Zeus was born into. The place of birth is located on the Lassithi plateau area, where Oros -Mountain Dikti is placed, inside a cave, where Mythology shows the unique place of birth of God Dias. This cave is protected from the archaeology and is all day open to visit.

It seems sometimes strange to realise how important the Minoan civilization was and the influence it showed to all European culture the last 4500 years. The spirit of Olympic Games started from Crete, Minoan civilization, based in Heraklion Knossos Palace, where Olympic games took place for the first time as Tavrokatharpsia. Minoan Palace, Knossos Palace is located 7km far, south of Heraklion city centre. The museum, archaeological museum of Heraklion is of a great interest, exhibiting the items found in Knossos palace.
